

A Medical Home is ready to care for YOU!

Family Medical Home - Victory, Internal Medicine, and Strong teams

Pediatric Medical Home – Lions and Tigers Teams

Adult Primary Care Clinic – Iron Mike

QuiC Care Clinic

To get the MOST out of your MH visit, BE ACTIVE in *your* care. YOU are the most important member of *your* healthcare team.

Before your visit

- Create a list of your medications to include doses and frequency and any questions you have about them. Also bring information about care obtained at other locations.

During your visit

- Provide or verify your medical history. Ask questions and share in the decision making process.

After your visit

- Follow your care plan and keep your healthcare team informed.

You can change your Primary Care Manager by calling Tricare at 1-800-444-5445

Want a second opinion, send your Primary Care Team a message at www.tricareonline.com

MARTIN ARMY
COMMUNITY
HOSPITAL

DEPARTMENT OF
PRIMARY CARE

6600 Van Aalst Blvd
Fort Moore, GA

www.martin.tricare.mil

Serving to Heal, Honored to Serve

MISSION

Provide compassionate world class healthcare to maximize readiness and the overall health of our community. Deliver safe, quality, accessible, cost-effective, and patient family-centered healthcare to enable the resiliency of our community, enhance the readiness of our units, and achieve the best outcomes for our beneficiaries.

VISION

Set the standard for the Army in health and readiness, and demonstrate the value of our hospital by providing high quality healthcare at an exceptional cost while maintaining & developing professionalism and commitment in our staff.

GOALS

Readiness and Health

Healthcare Delivery

Force Development

Take care of ourselves, Our Soldiers and Families, and our DA Civilians for life

What is a “Medical Home?”

A Medical Home (MH) is a approach to healthcare delivery based on the concept that the patient is always at the center of every decision made regarding their medical care. You receive more personalized care that is coordinated by an entire team, with a greater support for self-management.

A MH is a team based approach to medical treatment focused on developing a continuous relationship between you and your Primary Care Manager (PCM).

Department of Primary Care Prides itself on Quality Care to ALL Ages and offers:

- Clinical Pharmacology
- Colposcopies
- Diabetes Management
- Exceptional Family Member Program
- Embedded Laboratory and Physical Therapy
- Hands on Musculoskeletal Manipulation Therapy
- Integrated Behavioral Health
- Military Physicals & PHA's
- Minor Surgical Procedures
- Newborn Care
- Nutrition Care
- Obstetrical Care
- Same Day Appointments
- Sports Medicine
- Vasectomies
- Well Child Visits

Complete your JOES survey and provide us feedback that will result in additional funding for the organization that can be reinvested into your healthcare.

Use the ICE comment card to express compliments/complaints that are viewed by department leadership. Go to:
